Dear [redacted] 25X1A5a

25X1A5a

Just a brief note to say hello and to let you know that I will be at [redacted] on the 28th and 29th of this month. My turn has come to take over the recruiting at the Ivy League Colleges this fall. Mr. [redacted] the Agency's local representative, will be with me. 25X1A9a

We will be interested in talking to capable economists at all levels of experience and training who would like to hear what the Central Intelligence Agency has to offer. As you know, we are primarily interested in people with substantial graduate training in economics and with a reasonably good background in statistics.

We have been favorably impressed with the professional capabilities of one of your former students, Mr. [redacted] who has recently come on board. We are hopeful of securing services of similar good people.

25X1A9a Sincerely yours,
